

Progress Report

Name: Daolin Sheng
Course: Introduction to Symbolic Math with MATLAB
Progress: 100% complete (as of 14 October 2020)

Chapters

- | | |
|--|----------------------------|
| 1. Introduction 100% | 12. Review Project II 100% |
| 2. Creating Symbolic Variables 100% | 13. Next Steps 100% |
| 3. Mathematical Expressions with Symbolic Variables 100% | |
| 4. Creating and Solving Symbolic Equations 100% | |
| 5. Algebraic Manipulation and Simplification 100% | |
| 6. Working with Assumptions 100% | |
| 7. Working with Units of Measurement 100% | |
| 8. Creating Symbolic Functions 100% | |
| 9. Visualizing Symbolic Functions and Equations 100% | |
| 10. Review Project I 100% | |
| 11. Calculus with Symbolic Math 100% | |
